Purpose of Funds:

Please write a 300 to 500--word description of the program/service you plan to support using these funds. Who (all of CC citizens, particular area of county/city), why (what need are you filling?), how (how many will you serve and for how long?), by whom (will this be staff or volunteers?) and for what purpose (what exactly will you be doing and how will you know if you are successful?) How did you determine that your service/program services 50% or more of your overall program to Columbia County citizens? How long has this program/service been in place? Assuming proper funding, will it be an ongoing program/service. What is the duration (year around, only during school year, ect)? Please explain how you will let the community know about this program/service.

Post Disbursement:

For those who are awarded, no later than 6 months after funds are distributed provide the following:

- Were funds used as written in the proposal?
- Was the intended use successful?
- What measurements were used to determine its success?
- Will this program/service continue?
